Report of Independent Auditors

Plan Administrator
Shoffner Industries, LLC 401(k) Plan

We have audited the accompanying statement of net assets available for benefits of Shoffner Industries, LLC 401(k) Plan as of December 31, 2001 and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and the changes in its net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2001, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

INDEPENDENT AUDITORS' REPORT

Advisory Committee
Shoffner Industries, LLC 401(k) Plan
Burlington, North Carolina

We have audited the accompanying statement of net assets available for benefits of Shoffner Industries, LLC 401(k) Plan (the "Plan") as of December 31, 2000 and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Shoffner Industries, LLC 401(k) Plan as of December 31, 2000, and the changes in net assets available for benefits for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Shoffner Industries, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2001 and 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Shoffner Industries, LLC 401(k) Plan (the Plan) utilizes the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect reported amounts. Although actual results could differ from these estimates, management believes estimated amounts recorded are reasonable and appropriate.

INVESTMENTS

Investments are stated at fair value. Fair values of the investments are based on quoted market prices as of the end of the year. Investment income from mutual funds is recognized as earned. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amount reported in the statement of net assets available for benefits.

The change in the difference between fair value and the cost of investments held is combined with realized gains and losses on sales of investments and is reported in the statements of changes in net assets available for benefits as net realized and unrealized appreciation or depreciation in the fair value of investments. Realized gains and losses on sales of investments represent the difference between the proceeds received and the original cost of investments sold.

ADMINISTRATIVE EXPENSES

Administrative expenses are deducted from individual participant account earnings prior to allocation to the participant accounts. Loan fees are paid directly out of participant accounts.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

TRANSFERS FROM ANOTHER QUALIFIED PLAN

Certain participants transferred their account balances from the Universal Forest Products, Inc. Employees' Profit Sharing and 401(k) Retirement Plan to the Plan. Universal Forest Products Shoffner LLC (the Company) is part of the Universal Forest Products, Inc. controlled group, therefore, the transaction was accounted for as a transfer rather than a contribution.

RECLASSIFICATION

Certain amounts reported in 2000 have been reclassified to conform with the presentation used in 2001.

2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan that provides tax-deferred benefits for all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

PARTICIPATION

Eligible participants consist of all employees of the Company who are 20 years or older and have completed 1,000 hours of employment during the 12-month period following date of employment or, where additional periods are necessary, during a plan year beginning January 1.

Notes to Financial Statements (continued)

2. DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

Participants may voluntarily contribute up to 15% of compensation to the Plan on a pretax basis, up to limits imposed by the Internal Revenue Service (IRS). Participant contributions vest immediately.

The Company matches 50% of participant contributions up to the first 6% of the participant's compensation. Additional employer contributions are determined solely at the discretion of the Company and are allocated to participants in the same ratio that each participant's compensation for the plan year bears to the total compensation of all participants for the plan year. Forfeited non-vested amounts are used to reduce future contributions of the Company.

Employer contributions are subject to a seven-year vesting schedule as follows:

YEARS OF SERVICE	VESTING PERCENTAGE
-----	-----
Less than 3	0%
3 but less than 4	20%
4 but less than 5	40%
5 but less than 6	60%
6 but less than 7	80%
7 or more	100%

PAYMENT OF BENEFITS

The vested portion of terminated and retired participants' accounts are normally distributed immediately following a separation from service. As of December 31, 2000 net assets available for benefits includes liabilities for benefits to be distributed in the succeeding fiscal year to terminated and retired participants of \$32,567. No amounts were payable at December 31, 2001.

Shoffner Industries, LLC 401(k) Plan

2. DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT LOANS

Participants may borrow from their account an amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are a general investment of the Plan. Loan terms may be as long as 5 years or up to 10 years for the purchase of primary residence, and the loans bear interest at a rate equal to the prime rate (4.75% at December 31, 2001) plus 1% calculated on a quarterly basis. A participant may only have one loan outstanding at any time.

INVESTMENT OPTIONS

Participants may select from various investment options made available by the Plan. On a daily basis, the trustee allocates the net investment income or loss attributable to each investment fund to the individual participant accounts in proportion to the total participant account balances.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become fully vested in their accounts.

4. INCOME TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated October 21, 1994, stating that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code (the Code). The Plan has been amended since receiving the determination letter; however, the Company and the plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and the Plan and related trust continue to be tax-exempt.
